

# Raising Backyard Birds

Find out from our presenters, CFC Farm & Home Center, Department Manager, Kristin Erlitz and Niche Farm Specialist, Shaun Thomas, how to select the right bird for you and for your interest. Find out about the different types of birds, and what is best for egg laying, meat, multipurpose birds, even pet and show birds. Find out how much care they take and how to feed and house them. Learn whether you want or need a rooster, and how to keep your birds healthy.

Join us at this free program to find out about raising backyard birds.
