Photograph & Video Release Form

I hereby grant permission to the rights of images/video taken on my property/of my property/or my image, likeness and sound of my voice as recorded on audio or video tape without payment or any other consideration. I understand that images/videos/recordings may be edited, copied, exhibited, published or distributed and waive the right to inspect or approve the finished product wherein my likeness/property appears. Additionally, I waive any right to royalties or other compensation arising or related to the use of any image or recording of me or my property. I also understand that this material may be used in diverse settings within an unrestricted geographic area.

Photographic, audio or video recordings may be used for the following purposes, including but not limited to: presentations, social media, website, promotional displays, and informational documents/brochures/banners.

By signing this release I understand this permission signifies that photographic or video recordings of me or my property and likeness may be electronically displayed via the internet or in a public setting.

I understand I will not be consulted about the use of the photographs, videos and/or recordings for any purpose.

There is no time limit on the validity of this release nor is there any geographic limitation on where these materials may be distributed. I understand I will only sign one release per year and all material collected of me or my property falls subject to this agreement. If a photo/video release is terminated none of the prior acquired material will be deleted, it will remain in effect for eternity.

This release applies to photographic, audio or video recordings collected as part of a yearly agreement. This release applies to any video, image, audio or other media gifted to CFC by the signee.

By signing this form I acknowledge that I have completely read and fully understand the above release and agree to be bound thereby. I hereby release any and all claims against any person or organization utilizing this material for any purposes.
